DECLARATION OF PROTECTIVE COVENANTS AND RESTRICTIONS

FOR

MARTINS CREEK FARMS

WHEREAS, **Martins Creek, LLC., a Kentucky Limited Liability Company** (the “Developer”), is the owner and developer of **Martins Creek Farms** subdivision (the “Development”) by Deed recorded in Deed Book 352, Page 246-251 in the County of Clay, Commonwealth of Kentucky; and

WHEREAS, said Development is being developed on a plan, varying in details, according to the location and conditions of several and individual lots as set out on the plat recorded in Plat Book _____, Page _____ of the Clay County, Kentucky Clerk’s records and according to the needs of the Development as a whole; and

WHEREAS, these Protective Covenants and Restrictions are intended to make the Development desirable and attractive and best suited for small farmsteads, cabin get-a-ways, peaceful rural living, and recreational activities.

NOW, THEREFORE, **Martins Creek, LLC., a Kentucky Limited Liability Company**, does hereby establish the following Protective Covenants and Restrictions, which shall run with the land and be a charge thereon, against the present owners, their heirs, successors and assigns forever, and all future owners thereof.

1. Storage of Junk or Abandoned Vehicles. The open storage of rubbish, salvage materials, junk or miscellaneous refuse on any portion of any lot is strictly prohibited. The burying or dumping of garbage, junk, trash, oil, other liquid or solid waste, petroleum or littering of any kind is strictly prohibited. The open storage of more than two (2) vehicles which are abandoned, nonfunctional, in a state of disrepair, or lacking a valid license on any portion of any lot is strictly prohibited.

2. Conventional Stick-Built and Modular Dwellings. All stick-built and modular dwellings constructed on any lot shall have the necessary permits and governmental agency approvals prior to occupancy.

3. Mobile Homes and “Tiny” Homes. No lot (whether an original or re-subdivided lot) shall have more than two (2) of any combination of the following: (a) a single wide mobile home, (b) a double wide mobile home or (c) a residential structure containing less than 1,000 square feet of livable floor space (a “tiny” home). A mobile home placed on a lot must be on a permanent foundation or have skirting in place. All mobile homes and tiny homes shall have the necessary permits and governmental agency approvals required prior to occupancy.

4. Recreational Vehicles. Two (2), but no more than two (2), recreational vehicles (“RVs”) or campers shall be permitted on any portion of any lot (whether an original or re-subdivided lot). RVs and campers shall only be occupied by the lot owner and the lot owners’ guests and invitees, and use of any RV or camper for commercial purposes, including as a short-term rental, is strictly prohibited.

5. Most Restrictive Covenant or Law Governs. When any other ordinance, rule, code, or permit regulation imposes a greater restriction upon the buildings, structures, or premises, uses, or setback guidelines than the provisions of these Protective Covenants and Restrictions, then the provisions of said ordinance, rule, code, or permit regulation shall govern. Conversely, when these Protective Covenants and Restrictions impose a greater restriction upon the buildings, structures, or premises, uses, or setback guidelines than any other ordinance, rule, code, or permit regulation, then these Protective Covenants and Restrictions shall govern.

6. Enforcement. Means of enforcement of these restrictions shall include, but not be limited to, injunctive procedures. Failure to enforce any covenant shall not be construed as a waiver thereof. Invalidation of any one (1) or more of these covenants shall have no effect on the other covenants and provisions contained herein. The foregoing restrictions may be enforced by the following: Any owner of any interest in any part of the above-described property, any heir, executor, administrator or assign of any such person, or Developer, or its successors in interest or assigns.
